Hi Joe -

Thanks again for meeting with us last Friday, the monthly meetings are proving to be a helpful for us to stay on top of everything Hollywood!

In terms of the cameras, our office would be happy to work with you on the language for the motion. We're excited to have the new camera system installed which will provide added security to Hollywood. I'm copying our leg team on this email, could you send over suggested language to them?

Thanks!

Hi Marisol and Dan,

Thank you both and Gary for coming by again this morning. I have attached the motion from 2004 when the first phase of the system was installed, 2006 for the second, and 2008 when the CHC board donated the Sunset/Cahuenga camera to the City. For the new motion, the language will be a little more detailed as both BIDs contributed. Take a look at these and perhaps I can work with you guys to help come up with the new language.

Thank you again.

Good Morning!

Sounds like a plan – to summarize:

We are discussing a motion to accept a gift of cameras and or money? Please send the details and specifics on the donation and nature of the gift to the City, and we can go from there. Thank you!

Hi Marisol,

I would be happy to do that. Let me circle back with Kerry and we can try and put something together. Is there someone specifically in your office we can work with?

Thank you all for your help with this!

Hi Dan,

We actually discussed this in our staff meeting today. Things have been pretty busy here, but I have asked for Matthew to help me put something together. I hope to have something to you both by early to mid next week. My apologies for the delay!
